Welcome to Vines HS

All incoming 9th grade student-athletes must complete a brand new physical in order to tryout, practice, play any sport in Plano Isd-Vines HS!

The physical must be completed by physician-doctor with their signature that student meets physical requirements; also parent and student must sign completed physical form. Both sides of physical need to be completed.
Make sure the physical form you use is dated 2020 as this is the new uil form!

There will be a copy of the new 2020 uil physical form!

Also, all student-athletes must complete all of the
Paperwork required through Plano Isd:

rankonesport

This must be completed before any student-athlete can tryout, practice, and/or participate in any sport in Plano Isd/Vines HS.

Incoming 10th graders who have a physical on file from their 9th grade year; will need to complete the medical history section of the physical form and the parent and student athlete must sign and date this form and turned in.
This must be done before incoming 10th grade players can start tryouts, practice, participation.

There are some instances that some incoming 10th graders must have a brand new physical due to:
