

**Earth & Space  
Science**  
Course Information Sheet

Google Classroom Code - **z11738x**

**TEXTBOOK** Earth Science by Tarbuck & Lutgens - Eighth Edition (classroom set available)

**MATERIALS** Each student should have by the third day of class

1. Notebook (format of students choice- but should be able to keep notes together)
2. Pencil/ Pen
3. (for class use)

**STAY UP TO DATE** Students and parents can access course material at any time via the ESS Google classroom page. It is your responsibility to check this website out frequently.

**LATE WORK** Daily assignments and homework will not be accepted late. Lab & projects may be accepted late at a penalty of 10 points off each day the assignment is late, up to 3 days.

**TEST RETAKES** There are NO test retakes. Please come in for help before the test.

**TEST/ QUIZ ABSENCES** If you miss a test or a quiz, you are expected to make it up equal to the number of days you are absent. In the event your makeup is beyond the time we hand the test / quiz back, then an alternate version will be given.

**TUTORING** Available weekdays from 8-8:45 a.m. & upon request.

Please be proactive in scheduling help. The day of a quiz or test is not necessarily the best time to ask for help.

**GRADING**
