

NAME-CALLING AND HATE LANGUAGE

The Plano Independent School District believes that all persons must be treated equally and with respect.

To ensure a positive learning atmosphere for all, persons who attend the District, those who work for the District, and school visitors will not use name-calling, religious, ethnic, or racial slurs, hate language, or any derogatory statements of a personal nature. Appropriate consequences, as stated in the Student Code of Conduct, the Employee Handbook, or the School Visitors Guidelines, will result from actions contrary to this exhibit.

The Superintendent will notify all administrators of this exhibit and direct them to discuss the exhibit with students, parents, and staff.
