Warning Order # 19/20-15P

1. MISSION: PWSH JROTC will participate in the Annual Plano City Holiday Parade on 14 December 2019 in the central Plano area starting from Vines High School and PISD headquarters.
2. This is a **mandatory event**. All cadets are required to attend. If unable to attend due to a reasonable conflict (school, testing, work, uniform turn-in) parents can contact MAJ Shawn Langford or SGM Camacho by phone or email (shawn.langford@pisd.edu). This event is a major participation/uniform grade for the 2nd 9 weeks period. Cadets should be at the PWSH cafeteria in Class A uniform with neck tab/necktie, grey beret and **BLACK GLOVES** no later than **0800** for departure at **0830** by PISD provided bus service. **Do not be late.**
3. Coordinating Instructions:
 - a. Wolf Battalion formation includes three (3) parade details: a color guard detail, guidon detail, and mass formation detail.
 - 1) Color guard will consist of 2 rifleman and **1 flag bearer** (PWSH JROTC colors).
 - 2) Color guard cadets will be issued ascot, pistol belt, and white gloves at PWSH.
 - 3) There will be **5 guidon** carriers (one for each company)
 - b. The route of the parade is the following: north on Mill Valley drive from VHS, west on W 15th street, north on Independence parkway, east on Parkhaven drive, then south on Westside drive into the Plano Senior High School parking lot to board buses.
 - c. Cadets will be transported by PISD school buses from PWSH to the parade. PISD buses will return cadets back to PWSH around 1130.
 - d. Due to changing Texas weather, cadets are expected to plan ahead for inclement weather by having on hand long underwear, warm socks, and **BLACK** gloves. Weather dependent, the city of Plano will make last minute weather call to participating parade groups. Army JROTC will inform personnel of status changes through the chain of command.
 - e. This is a time of high-visibility for the Corps; you must be on your best behavior, and show students, parents, and faculty that:

S1: MADATORY event expecting 100 cadets

S2: Due to predicted weather conditions, all cadets are to be wearing CLASS A uniform, **BRING BLACK GLOVES**, and have their beret.

S4: Guidons, sabers, and colors will be distributed by the S4 the day of the Parade, transportation provided by PISD, **driven by SGM Camacho.**

S5: The S-5 will be taking pictures in the parade.

S6: due to being in a battalion formation the chain of command will follow through the company commanders and first sergeants.
