

# GULLEDGE ELEMENTARY

## MISSION

We believe that every child deserves a safe haven where love, hope and trusting relationships support family engagement and high levels of academic excellence.

## VISION

We envision a safe and caring community wherein staff, families and students work together to support each student's academic and personal development. High performing teams continuously serve our community and focus on improving learning by providing equity to each child. Effective and ongoing opportunities to build and enhance parents' knowledge and skills will be embedded in our school culture.

## CIP GOALS

- We will transform the PLC process so that all students learn through effective planning and good instruction.
- Our campus will improve all student performance across all subjects in meets and masters on state assessments.

## SCHOOLWIDE EXPECTATIONS

Respectful, responsible, and ready to be learn and be safe
