

Art 3. Supply List/Mixell 2019-2020

The following list is recommended. You can purchase these supplies online at Amazon, Michaels, Blick, or at another store that offers you the best options.

Note, the mixed media pad listed below is for Sketchbook/Visual Journal. You are welcome to purchase any style blank journal that feels most comfortable to you, e.g., bound cover journal, etc. The paper weight should be at least 70-80 lbs (thought not essential as you can add/glue more durable paper to your page when we are using wet media).
