IB Theatre is a largely self-paced, project-based curriculum. We will navigate through each of the IB Theatre Projects together as a way to guide our individual learning. We will also utilize the new IB Theatre workbook to assist us in our journey. There will be multiple check-ins to monitor progress as well as clarify IB project details and focus research.

Grades in class consist of: weekly check-ins, rough draft assignments, quarterly play reviews and critiques (listed below).

****Students will be required to submit the following each Nine Weeks Period****

Play Review- Once a 9 weeks, you must read a new play and present a review.

Play Critique- Once a 9 weeks, you must watch a professional production and create a project.
